

### KENTUCKY THIRD IN MULES.

There are but three States that are ahead of Kentucky in mule production. There are six big mule States, and their rank according to the census of 1910, is as follows: Texas, 700,000; Missouri 315,000; Tennessee 290,000; Kentucky 205,000; Illinois 105,000, and Indiana 60,000.

### HER WORDS MIXED.

"Be you the judge of reprobrates?" asked an old woman as she walked in to the judge's office. "I am judge of probate," was the reply. "Well, that's it, I expect," she said. "You see, my husband died detested and left me several little infidels, and I want to be their executioner."

Well, I see the Legislature has prohibited chewing gum and chewing tobacco, now if they will cut out chewing the rag they may be able to do some real work.—Louisville Times.

Almost all the 3,500 Mexican soldiers and the 1,367 women and children refugees who were driven out of Ojinaga, Mex., by the rebels had arrived in Marfa, Tex., last night.

### Woman Is As Old As She Looks

No woman wants to look old. Many in their effort to look youthful resort to the "beauty doctor's" prescriptions. Their mistake is that they visit the wrong department in the drug store. Beauty depends upon health. Worry, sleepless nights, headaches, pains, disorders, irregularities and weakness of a distinctly feminine character in a short time bring the dull eye, the "crow's feet," the haggard look, drooping shoulders, and the failing step.

### DR. PIERCE'S Favorite Prescription

This famous medicine strikes at the very root of those enemies of your youthful appearance. It makes you not only look young, but feel young.

Your druggist can supply you in liquid or tablet form and 50 one-cent stamps to Dr. Pierce's Invalids' Hotel and Surgical Institute, Buffalo, N.Y., and the box will be mailed you.

### Feel Out of Sorts?

It's a good idea to look for the cause!

One common, but often unsuspected cause is coffee-drinking. Yet some persons seem able to get along with coffee—at least for a time. But when headachy, bilious days come; breakfast or some other meal doesn't taste good; and the day's work goes wrong. (Ever feel that way?)—then it's time to find out for sure if coffee is causing the trouble in your case.

There's a subtle, poisonous drug, "caffeine," in coffee that interferes with the normal functions of body, brain and nerves, and has a lot to do with one's comfort and progress.

Suppose for a test you try the simple expedient of quitting coffee and using well-made

### POSTUM

—a pure food-drink made of choice wheat. It has a delightful, Java-like flavour but is absolutely free from caffeine or any other drug.

After ten days or two weeks you will be able to decide whether to go back to coffee troubles, or stick to Postum and peace and comfort.

Postum comes in two forms.

Regular Postum—must be well boiled.

Instant Postum—doesn't require boiling, but is prepared instantly by stirring a level teaspoonful in an ordinary cup of hot water and adding cream and sugar to taste.

Grocers everywhere sell both kinds.

### PECULIAR AFTER-RESULTS OF GRIP THIS YEAR

#### Leaves Kidneys In Weakened Condition

Doctors in all parts of the country have been kept busy with the epidemic of grip which has visited so many homes. The symptoms of grip this year are often very distressing and leave the system in a run-down condition, particularly the kidneys which seem to suffer most, as almost every victim complains of lame back and urinary troubles which should not be neglected, as these danger signals often lead to dangerous kidney troubles. Druggists report a large sale on Dr. Kilmer's Swamp-Root which so many people say soon heals and strengthens the kidneys after an attack of grip. Swamp-Root is a great kidney, liver and bladder remedy, and, being an herbal compound, has a gentle healing effect on the kidneys, which is almost immediately noticed in most cases by those who try it. Dr. Kilmer & Co., Binghamton, N. Y., offer to send a sample size bottle of Swamp-Root, on receipt of ten cents, to every sufferer who requests it. A trial will convince any one who may be in need of it. Regular size bottles 50 cents and \$1.00. For sale at all druggists. Be sure to mention this paper.

### BROWNING AT WORK ON MILEAGE MEASURE.

(Lexington Herald.)

W. T. Browning, chairman of the committee on railroad mileage for Kentucky from the order of United Commercial Travelers, has been to Frankfort in the interest of the House bill introduced in the House last week by Hon. E. D. Stone, viz: "Act limiting the charge by public carriers to 2 cents a mile for adults and 1 cent a mile for children under 12 years of age."

Mr. Browning stated that had the Louisville & Nashville Railroad Company issued a mileage book for \$20 as all other roads do, neither his committee or the order of United Commercial Travelers would ever have worked so hard for a 2 cent flat rate, as the traveling man would rather pay \$20 for a book than run to the ticket office to buy a ticket each time he takes a train from one town to another.
